

PARENT WORKSHOP

Family Support Services!

This interactive workshop will look at all the various support services out there to bring you some needed relief. There are many programs, services, systems and strategies that will help you maximize the strengths, skills and talents of your child.

The goal of this workshop is to provide parents with information, motivation and inspiration. You are not alone! Let's share our needs, wants wishes and dreams together. There are strong umbrellas out there to protect you from the storms and help you dance!
